## Congressional Convention.

By virtue of authority vested in us by the State Central Committee, we hereby designate Wednesday, the 25th day of August, 1880, as the time, and Alexandria as the place, for holding a convention to nominate the Democratic candidate for Congress in the 8th Congressional District of Virginia. The convention will be composed of five delegates from each magisterial district in the counties of Orange, Madison, Culpeper, Rappahannock, Fauquier, Fairfax, Loudoun, Alexandria, Frederick, Clarke and Warren, and one delegate from each voting precinct in the cities of Alexandria and Winchester, and the basis of voting in said Congressional convention shall be one vote for every one hundred votes cast for Samuel J. Tilden, in Nov., 1876. Delegates to said convention are to be selected by county, district or ward meetings, or by primary election by wards or districts, as the various county or city committees may elect, and at such time as the respective county or city committees may determine; provided, that if district or ward meetings or primary elections are adopted, such meetings or elections in any one county or city shall be held on the same day.

S. S. TURNER,  
R. S. LEWIS,  
ROBT. BEVERLY,

Members of the State Central Committee for the Eighth Congressional District of Virginia.  
[Conservative papers in the District please copy.]

**POLITICAL NOTES.**—The conservative congressional convention to nominate a candidate for Congress from this district will meet in this city on the 25th of August next.

A gentleman from this city bet \$100 to \$10 with a gentleman from Washington yesterday evening that he could name the nominee of the Cincinnati convention. The bet was accepted, the money put up, and to the astonishment of the bystanders the Alexandrian named Judge Pratt, of New York. This is the first time that Judge Pratt has been mentioned as a candidate for the Presidency.

The city republican convention, to select delegates to a congressional convention to be held in this city, will meet at the colored Old Fellows' Hall to-morrow at 12 m. It is thought that delegates will be elected favorable to the nomination of Mr. Sampson P. Bayne.

**MEETING OF THE TRUSTEES OF LEE AND SEATON SCHOOL BUILDING.**—A regular monthly meeting of the Trustees of Lee and Seaton School Building was held Monday night, with J. McK. Ware in the chair, and G. W. Ramsay secretary. After the reading of the minutes of the last meeting, H. S. King moved that the vote by which the resolution appointing George L. Seaton general superintendent of the building an collector of the funds of the same, be reconsidered, which motion was adopted unanimously.

The secretary, on motion of G. W. Ramsay, was then ordered to request Gen. L. Seaton to turn over to him the necessary all books and papers pertaining to the management of the school property.

The second Tuesday evening, in each month, instead of the second Monday, was fixed as the time for meeting hereafter, and the Board adjourned.

**MEETING OF THE CONSERVATIVE READER CLUB.**—The Conservative Reader Club held a large and enthusiastic meeting at the hall of the Sun Fire Company last night.

Mr. Edgar L. Brockert presided and Messrs. James W. Shinn and A. N. Hurdle acted as secretaries.

After new members were elected, and after some discussion, the club adjourned to the session of 1881 to be held on Wednesday, July 1st, at the following result:

Delegates—Edgar L. Brockert, James E. Wadley, A. N. Hurdle, J. C. Moore, Thomas L. Brent, Wm. Wheatley and Michael Peyton. Alternates—James J. Jones, E. C. Arnold, Wm. H. Smith, Charles Williams, Robert W. Hallenger, Charles Duff and Luther Harrison. The meeting then adjourned.

**SECOND WARD REPUBLICAN MEETING.**—A meeting of the republicans of the Second Ward was held last night at the house of Henry Lewis. The chairman, Henry Lewis, stated the object of the meeting to be to elect delegates to the republican city convention to assemble to-morrow. Albert Lewis was appointed secretary, and the following delegates were elected: George Franklin, George Hoyle, Harry Johnson, George Dudley, Levi Potter, and Albert Lewis. Alternates—Hendrick Dudley, Oscar Nails, and Wm. Jackson. The meeting then adjourned.

**INSTALLATION OF OFFICERS.**—The following officers of Mount Moriah Commandery, colored, Knights Templar, elected at a previous meeting were installed Tuesday night: Samuel Bolden, Grand Commander; John H. Montgomery, Grand Master; Simon J. Leland, Captain General; James Johnson, Recorder; Samuel Keith, Treasurer; Messrs. Moxley, S. W. Robt. Smith, J. W. Wilson Hughes, Guard. After an address by H. L. Harris, the members of the commandery were invited to a banquet which had been prepared for the occasion.

**EFFECTS OF THE STORM.**—Mr. Thomas Lloyd, of this city, has received the contract for replacing the tin roof on the distillery of Mr. Peter Fagan, in West End, Fairfax county, blown off by the storm of Saturday last. Notwithstanding the roof was a heavy tin and gravel roof the wind lifted it off and carried it some distance from the building. A portion of the large shed at the brick yard of Messrs. O'Neal & Corbett was also blown down by the same storm.

**THE ALEXANDRIA FAIR CATALOGUE.**—The catalogue and premium list of the Alexandria and Fairfax Agricultural and Industrial Association for 1880 had been published and is now in the hands of the secretary. It is a neatly printed pamphlet and contains a full list of the different premiums to be awarded, and the names of most of the business men of the city. The work was done at the Gazette Job office.

**LARGE PURCHASE.**—The St. Croix Aves, of recent date, says: "The estates, Lower Bottom and Jalousy, with stock and implements, have been transferred by private sale from Mr. Clendinning Graydon to Mr. S. C. Neale for \$32,000." This recent purchase, together with those formerly made by Mr. Neale, make him the largest landed proprietor on the island.

**HEAVY CONTRACT.**—Mr. H. D. B. Norris, of Fairfax county, has secured the contract for the construction of a railroad in Nicaragua and will leave for that place during the present month. Mr. N. is a well known railroad contractor and has been engaged on several extensive works in foreign countries.

**EDUCATIONAL SOCIETY OF VIRGINIA.**—The fifty eighth annual meeting of the trustees of the Protestant Episcopal Educational Society in the State of Virginia, will be held at the Theological Seminary, near this city, on Wednesday, the 22nd instant.

**NEW WHEAT.**—The first new wheat brought to this market this year, was offered on Change this morning by Messrs. Geo. H. Robinson & Son, and sold at \$1.15. It was a small lot and was smutty.

**BELLE HAVEN INSTITUTE.**—The hall of Belle Haven Institute, Mr. Giles A. Penick, Principal, was packed last night with the friends of the pupils to witness the closing exercises of the institute. After some excellent music by the young ladies composing the music class, the principal, in the absence of Mr. Julian Taylor, who was suddenly taken ill just as he had started for the institute, presented diplomas to a large number of young ladies, including a full diploma to Miss L. W. Gold medals were presented by Capt. K. Kemper in a short address to Miss Lizzie Chapman, Miss Lina Hobson, Miss Rosa Snyder, Miss Mamie Lewis and Miss Mary Shinn.

Not the least noticeable feature of the occasion was the profusion of beautiful flowers, which had been sent as offerings by the many admirers of the young ladies.

**MEETING OF THE DISTRICT CONSERVATIVE CONVENTION.**—The Congressional Conservative Committee for this district, consisting of Dr. R. S. Lewis, of Culpeper; Major Smith S. Turner, of Warren, and Colonel Robert Dyer, of Fauquier, met in the parlors of the Tontine Hotel, in this city, last night, and recommended the names of gentlemen to the State Central Committee at Richmond for appointment as congressional district and county canvassers. It is understood that from this end of the district Mr. George A. Muesbach for congressional, Judge C. B. Stuart for senatorial, and S. G. Brent, (sq.), for county canvassers were recommended.

**THE SHIP YARD.**—This bids fair to be one of the most prosperous years the ship yard has had since it commenced operations. As a consequence of the good work turned out by the yard there are vessels always at the wharf waiting to go on the ways. The steamer Mary C. was launched from the ways there yesterday morning, and the schooner Elizabeth S. Lee from Philadelphia, was immediately hoisted up. The repairs to the steamer T. V. Arrowsmith will be completed in a short time, and she will leave for Baltimore, where she will run excursions during the season, having been chartered, it is reported, by parties in that city.

**A GOOD INVESTMENT.**—In the month of February, 1878, the Commissioners of the Sinking Fund of the City Council erected a substantial shed and fence, which enclosed the south line of the market at a cost of \$313.44. To this shed the fish stands were transferred. In the following spring the income from this shed was \$561. In 1879 it produced \$245, and in the spring of the present year \$427, an average annual income of \$306.55, exclusive of the cost. The enclosure is not only a great protection to market people who arrive late at night, but a good investment for the Corporation.

**THE A. L. I.**—At a meeting of the Alexandria Light Infantry, last night, the gold medal offered by Mr. M. J. Waterman to the best shot in the company was accepted. The shooting for the medal will take place on the afternoon of July 5th, under the same rules that governed the last match.

The new armory of the company will soon be ready for occupation. Mr. Sable, a scene artist of Washington, has been engaged to paint the scenery for the stage.

**THE HYDRAULIC.**—At the instigation of the Chief Engineer of the fire department the Hydraulic engine was taken to the wharf, at the foot of Cameron's row, yesterday evening, for the purpose of testing the condition of the engine and ascertaining the capabilities of the newly appointed engineer, Mr. W. G. Simpson. After a trial of some time the steamer was found to be in admirable working order and the engineer performed his duties in a most satisfactory manner.

**BORSE SEVERELY STUNG BY BEES.**—A fine young horse belonging to Mr. J. R. Haggenbach while running at large upon the farm of Messrs. Haggenbach and Davis, about four miles from this city, on the Washington road, was set upon last Monday by a swarm of bees, and a very severe injury. This is considered an extraordinary occurrence, as Mr. Haggenbach says that he has been a farmer and stock dealer all his life and never heard of a similar circumstance.

**DEATH OF CAPTAIN BYLES.**—Capt. Wm. H. Byles, a well known river man, died this afternoon at half past one o'clock, at his home, in Washington. The deceased was one of the most popular commanders on the Potomac, and his death will be regretted by a host of friends. As a mark of respect to his memory the flags on all the river steamers were flying at half-mast this evening.

**POLICE ITEMS.**—The only case at police headquarters this morning was that of a King street butcher, who was reported as having purchased a diseased cow, killed her and sold the meat to his customers. The charge is denied by the butcher. In the absence of certain witnesses the case was postponed until to-morrow morning at nine o'clock.

**PERSONAL.**—Wm. Foote, esq., son of ex Senator Foote, a delegate to the Cincinnati convention from California, was in this city yesterday on a visit to his friends.

**LOCAL BREVITIES.**  
Albert Dodd, esq., of Hoboken, N. J., well known in this city, died in Warrenton last Sunday.  
A marriage license was issued in Washington yesterday to Edwin H. Williams, of Accomack county, Va., and Sarah A. Graham, of Washington.

J. W. Kirk, of this city, was awarded the Kuhn's Freshman medal at the commercial exercises of the Western Maryland College, at Westminster, Md., yesterday morning.  
Mr. James Fy and the young ladies of the Southfield Female Institute, of Southfield, Va., are in Washington, where they will remain for a few days, and visit all the places of interest in the capital city.

The first twenty cent excursion of the season took place last night and was well patronized. Those in attendance report a very pleasant time. The City of Alexandria will leave her wharf to-morrow evening for Marshall Hall at 7:15, and return to this city at 11:30. See advertisement elsewhere.

Right Rev. Alfred Lee, D. D., Bishop of Delaware, who has been announced to read an essay on the "Revised Bible" before the Society of the Alumni of the Theological Seminary of Virginia, on Wednesday, June 23, writes that he now finds himself prevented from filling the appointment by episcopal engagements. There will be no essay.
